##### **Function Reviewed**

- Gangesh Tripathi presented the Educator App in the Meeting.

## Main Take-Aways

- The IT Team presented the current status of the mobile app and admin panel.
- Pallav Jain and Harrshita Gulati noticed some bugs and changes in the Educator functionality which are as follows:
  - (Admin Panel) Registered Educators getting male gender by default.in View Details.
  - Mobile number must be of 10 digits.
  - Experience Level must be in range of 0 to 20 Years
  - All fields are required in educator register web form except profile picture.
  - (Admin Panel) multiple entries with other names on the time when educators add topology and price..
  - (Admin Panel) Topology and price setting is not working properly.
  - Admin is unable to approve educator videos.
  - Pending topology is not filtered according to uploaded videos
  - .Request for change is not working (not necessary for now).
  - (Admin Panel ) Add View Button , Reject Button and Download button for canceled cheques in Educator bank Details Panel.
  - Add provision for the status of educator verification in terms of basic details, bank details , documents, demo video, in mobile app as well as admin panel
  - Resolve all the emailers template issues.
  - Replace “Not Specify” with “None of these” in educator registration form
